

Launceston Airport Rideshare Access – Terms and Conditions

The Applicant referred to in this Permit Application is applying to APAL for access to the Commercial Lane of the forecourt at Launceston Airport in order to provide a rideshare service.

Should the Applicant be successful, access will be granted by APAL subject to the Applicant complying with the Operational Requirements for operating a rideshare service at Launceston Airport. For the avoidance of doubt, these Operational Requirements can be found [here](#).
